

**November Field Trip: Blackwater Wildlife Refuge**  
**Cambridge Maryland**  
**November 4,5,6 2005**

**November 4-6th Field Trip:** Plan now for our November overnight field trip to Maryland's Eastern shore trip. We will follow last year's successful format of meeting Friday evening around 7:00PM for dinner and review of the Saturday & Sunday options for Cambridge, Blackwater Wildlife Refuge, and the surrounding areas. Those VPS'ers only able to arrive on Saturday can connect up with us via cell phone. More November field trip information will follow at the October and the November 2<sup>nd</sup> VPS meetings.

Lodging in the Cambridge area can be tight this time of year, so it's advisable to book your hotel room now. Below are three nearby lodging options; they are listed in increasing feature/price order. Other lodging options can be identified via the internet link below:
