

December Field Trip: Washington By Night Thursday, December 29, 2005

After our November field trip to the Eastern shore and the holiday shopping and parties it's time to relax and do what else – photography. Our December field trip keeps us in the Washington DC area and takes advantage of the “slow week” between Christmas and New Years for some mid-week image making. Join us on our Washington By Night field trip.

We will meet on Thursday, December 29th at 6:00PM at the Rhodeside Grill (1836 Wilson Blvd.) in Arlington, VA for dinner and then travel to Washington DC and possibly Maryland for an evening of photography.

Will there be snow on this field trip?? We'll just have to wait and see, but it is guaranteed that there will be many interesting night photographic opportunities – take advantage of them.
