***Directions from 66W:** Take 66 W to exit 57B onto 50W. Take West Ox Road North. Follow West Ox for approx. 2 miles. You will pass the Navy School (3rd traffic light) on your right. Take the 2nd LEFT after the garden center onto Franklin Farm Road.

....Once on Franklin Farm Road, take the next LEFT onto Pond Crest Lane, then the next RIGHT onto Franklins Way. You will come to a "T" intersection at Willow Glen, turn LEFT. Then go past one house on the right and you will see the driveway/pipestem to Carla's house.

***Directions from Vienna:** Take Lawyers Rd. all the way to Rt. 608 (The junction where if you turned right you would be on Reston Parkway, and if you turned left you would be on Lawyers Rd.) You will turn LEFT so that you are still on Lawyers Rd. Follow Lawyers Rd. You will come to a traffic light. The next traffic light is Franklin Farm Rd. Turn RIGHT. You may now follow the directions above to complete your journey....

If none of this works for where you are coming from, try www.mapquest.com or call Carla (# above)

IMPORTANT NOTE FROM CARLA: I live at the end of a long driveway/pipestem with 2 houses at the end. Mine is on the left. Out of consideration for the other neighbor, please do not park on the shared driveway/pipestem area. There is ample parking on Willow Glen Dr. Thank you!
