

VIENNA PHOTOGRAPHIC SOCIETY  
Entry Requirements and Guidelines 2007-2008

**Overall:**

1. ONLY DUES PAID MEMBERS MAY COMPETE.
2. The competition Classes are Novice and Advanced. A new member, and others who have not achieved sufficient award-points to require advancement to the Novice class, should enter in the NOVICE class. Members may elect to compete in the ADVANCED class but, having done so, may not enter as a NOVICE in a later competition. Members cannot submit entries into two different classes in a single competition.
3. The competition categories are Prints, Slides and Digital . There is a single Slides category for all classes.. For the Novice Class the categories are Prints (monochrome and color combined) and Digital. For the Advanced Class the categories are Monochrome Prints, Color Prints and Digital. The monochrome class is not limited to black and white photos. It includes any image in varying shades of a single color.
4. No more than four images may be entered in a single competition evening. No more than two images may be entered in one category with the exception of Novice prints where four (4) print images may be submitted as long as they do not exceed the maximum of four total images in the competition..
5. Images awarded Honorable Mention or higher ratings in previous contests are not eligible for re-entry; with the exception of prints awarded in the NOVICE CLASS (which may be entered again at the ADVANCED level).
6. Prints and slides must be received by 7:20 the night of the competition. Digital images must be submitted by midnight. Eastern Time the Sunday before the competition.

**Prints:**

1. Prints must be mounted.
2. Prints should be a least 5X7 inches and the total size, including mounts, should not be larger than 20X30 inches.
3. Nothing on the front of the mat should identify the photographer. The identification of the member and the print must be on the back side.
4. Prints should have an easily visible arrow on the back pointing to the top of the photograph.
5. Prints in frames or with attached hardware are NOT eligible for competition.

**Slides:**

1. Slides must be mounted in 2x2 inch cardboard, glass, metal or plastic slide mount. Glass over ready-mounts, or other entries too thick for the Society's projector will be disqualified.
2. Slides must contain a darkened small circle in the lower left corner of the mount as the slide is hand-held in a viewing position.
3. The entry should bear the identification of the member (on the slide mount).

**Digital:**

1. The submitted jpg file may not exceed 1MB.

2. The image may not exceed 1024 pixels horizontally nor 768 pixels vertically in 96 point resolution.
3. Nothing on the image should identify the photographer.
